

Instant Unofficial Test Results for CAS Online Courses

Beginning with the October-December 2011 test window, candidates taking this computer-based test will receive unofficial pass/fail results at the conclusion of their exam.

The unofficial pass/fail result will be displayed on the computer screen at the conclusion of the exam. In most test centers, a printed copy of the candidate's unofficial pass/fail result will be available upon completion of the computer-based test from the proctor in the administrative area outside the testing room. The candidate, however, should carefully read the result that is displayed on the computer screen at the conclusion of the exam.

When the official grades have been processed, candidates will receive an e-mail from The Institutes stating that their grades are available. Candidates may then log into their account on The Institutes Web Site (www.TheInstitutes.org) to access their grades. The grade report for each candidate will show the candidate's overall score on the exam in ten point increments (e.g., 60 to 69%, 70 to 79%, and so on). It will similarly show the candidate's performance by assignment using those same ten point increments. Numeric scores are not released.

The Institutes will send a copy of the grades directly to the CAS Office **at the conclusion of the test window** to be added to the candidates' admissions records.
